

## How can we discern a prayerful commitment of time as stewards?

---

- There are 1,440 minutes in a day, how many will you set aside for time with God?
- Have you spent time praying for our parish family?
- Each week at Mass, consider during the Offertory who may need your prayers.

## How can we share the talents we have been given in service?

---

- Do you have new talents or abilities that you wish to share with the parish?
- Could the parish benefit from your leadership in creating a ministry we do not yet have?

What would a 1% change look like for you?

- How would a 1 % increase in time for prayer impact your overall peace and happiness?
- How would a 1 % increase in time serving others impact your relationship with the community?
- How would a 1 % increase in sharing your talents give witness to the young people in the parish?

Time to see how the Holy Spirit will move within you!

For assistance in any way call our office 217.632.7118.
